

P. Andrew Benson, D.D.S.

6300 W. Parker Rd., Ste. 223 Plano, TX 75093 Ph# (972)
981-8653

Why A Custom Shade?

Dr. Benson and the dental lab technician work closely together to create not just a 'cap for your tooth' but a precise replica to aesthetically match the finest details of your teeth. Since color is the most difficult aspect to communicate, we are recommending the dental technician to see you in person to optimize our desire for an excellent result.

Driving **S**outhbound on N. Dallas Tollway, Exit Northwest Hwy.
Take a **R**ight at Northwest Hwy.
Take a **L**eft on Inwood
Take a **R**ight on Lovers Lane
